[Book your group rate for SWANA](#)

# CHAPTER CREATED TRAINING

**\$250 SWANA Members** (or Reports to a Beehive Chapter Member)

**\$500 Non SWANA Members**

20 PDH  
Available

**March 4<sup>th</sup>**

8:00 a.m.—5:00 p.m.

## LANDFILL BASICS & WASTE CONTROL

**8 SWANA Professional  
Development Hours**

The Course will give you the information and knowledge to establish an effective Waste Control Program at your individual facility.

**March 5<sup>th</sup>**

8:00 a.m. —5:00 p.m.

## EQUIPMENT CARE AND MAINTENANCE

**8 SWANA Professional  
Development Hours**

Learn the basics and best practices in equipment care and maintenance in solid waste facilities for longevity and safety

**March 6<sup>th</sup>**

8:00 a.m.—12:00 p.m.

## REGULATORY TOPICS

**4 SWANA Professional  
Development Hours**

Discussion and training on areas for Waste Handling and Facility Compliance.

# SWANA TRANSFER STATION COURSE

**\$900 SWANA Members** (or Reports to a Beehive Chapter Member)

**\$1,300 Non SWANA Members**

30 PDH  
Available

**Monday, March 4<sup>th</sup>— Tuesday, March 5<sup>th</sup> 8:00 a.m.—5:00 p.m.**

**Wednesday, March 6<sup>th</sup> 8:00 a.m.— 12:00 p.m.**

**30 SWANA Professional Development Hours for Course Attendance**

**Certification Test is available through SWANA National (additional cost)**

Who should attend: Solid Waste directors/supervisors, transfer station managers, developers, and consulting engineers will benefit from this course.

The Transfer Station Management course addresses factors in planning, design, operation, and management of a transfer station. You will learn how a well-planned, designed and operated transfer station provides advantages and flexibility to a waste management system. Discussion of how effective communication with the public and regulators helps mitigate challenges in planning and operating a transfer station, and how planning and design affect construction and operation.
